Celebrating at the Forge

The Forge is a unique and intimate space available to exclusively hire for family gatherings, parties and celebrations. A short walk through Bristol old town and up the picturesque Christmas steps, it's the perfect spot to gather together with your most loved people for a celebration.

A stunning setting for a party, with original brickwork and dramatic views of the Bristol skyline through the industrial style floor-to-ceiling windows.

The light is beautiful, we are high above the city and space feels really special.
